

J S One ,week six

Name :Mrs Olayinka

Subject : Music

Class :J S One

Topic : Musical instrument

Meaning of musical instruments

Musical instruments as any mechanism other than voice that produces musical sounds .

Under musical instruments we have two classification ,which are

1. Western Musical instruments
2. African Musical instrument

A) Western Musical instruments :Western Musical instruments are foreign instruments

They can be classified into four families ,which are

- Strings family
- Woodwind family
- Brass family
- Percussion family

(1) Strings :These are instruments in which sound is produced with the aid of strings eg Violin,Viola,Cello and double bass etc

(2) Woodwind : These are instruments that produce sound through air column eg Flute ,Piccolo,Oboe,Clarinet Bassoon and Recorder etc

(3) Brass: These are instruments made of brass metals .They produce sound through air column too eg Trumbone ,Tuba, Trumpet ,Cornet and french horn etc

(4) Percussion : These are instruments that produce sound by being struck or shaken with hands or sticks eg Timpani (Kettle drum) ,xylophone ,Tenor drum and Bass drum etc

Assignment
