1. Question: Faceless: Discuss the significance of MUTE in the novel

MUTE is an NGO devoted to social issues and information building. Kabria works with the NGO . Kabria reports her experience at Agbogloboshie market to her colleagues in the office. Dina, her boss expresses her belief that there may be something worth unraveling in Fofo's case. MUTE agrees that researching the issue would be fascinating because there are other things which may also be wittingly or unwittingly unravelled.

MUTE is significant as it marks the beginning of what will eventually culminate in the rehabilitation of Fofo and the uncovering of the circumstances surrounding the death of Baby T.

Also, MUTE advances the development of the plot of the novel by bringing in more characters to play crucial roles in the investigative undertaking which should ordinarily have been carried out by the police.

The act of taking in Fofo signifies the commitment of MUTE to her plight, cause and going the whole hog with the case to ensure liberating or rehabilitating her. This shows MUTE's commitment to bringing about positive changes in the society. MUTE does not stop at mere identification of a problem but goes ahead to solve it.
