Topic : Dotted note

Meaning of dotted note

Dotted notes refers to notes which have dots placed after them. In other words,they are notes with dots eg.

0 . = semibreve

d . = minim

dotted crotchet

dotted quaver

dotted semiquaver

dotted demisemi quaver

Note : When a dot is placed after a note, it means that you add the half of the original value of the note to it. Eg

Breve = / 0 / = 8

Semibreve = 0 = 4

Minim = d = 2

Crotchet = 1

Quaver = 1/2

Semiquaver = 1/4

Demisemi quaver = 1/8

Assignment
